

Mini CV — Deogracias Phaswana

Name:

Deogracias Phaswana

Profile Summary:

I am a detail-oriented Software Tester with experience in functional, regression, usability, and mobile application testing. I work confidently with tools such as Jira, Excel, DevOps, and Microsoft Word, and have strong knowledge of Agile testing practices. I enjoy identifying bugs, improving user experience, and ensuring software meets quality standards. I am looking for an opportunity in a dynamic tech environment where I can apply my QA skills and continue growing.

Looking for:

Software Testing / Quality Assurance / QA Analyst roles

Skills:

- Functional Testing
- Regression Testing
- Exploratory & Usability Testing
- Mobile App Testing
- Writing Test Cases & Bug Reports
- Agile & Waterfall Methodologies
- Tools: Jira, Excel, DevOps, Microsoft Word, Selenium (basic)
- UI Testing
- SDLC Knowledge
- HTML, CSS, JavaScript (basic)

Experience:

- Software Tester (2022 – Present): Functional, usability, exploratory, and mobile testing. Bug reporting, test planning, and working with dev teams.
- Administrator – Urology Hospital (2020 – 2021): Managed records, scheduling, and administrative operations.
