ABOUT ME

I'm Tashrique Manuel, currently working at Alpha National Protection. I have 2 years of experience, a strong background in customer service and security, and I'm confident, reliable, and adaptable. I'm also completing an IT course focused on digital marketing and graphic design.

EXPERIENCE

supervisor

2024 - 2025

ALPHA NATIONAL PROTECTION

- Oversaw the access control at the start and end of shift
- Enforced company policy regarding security and confidentiality,
- Educated staff on security measures, raising awareness about potential risks and preventive practices
- Liaised with management on developing and implementing effective security protocol and emergency response procedures

2021

Nox wholesalers

- Assisted customers in selecting products offering detailed advise to meet their needs
- Greeted customers with warmth and enthusiasm, enhancing positive in-store experiences.
- Engaged customers in conversation to offer helpful product and purchase support
- Handled customer enquiries, providing prompt responses to questions about products and services
- Worked flexibly across different departments, adapting to varying tasks and responsibilities as needed
